

Glenwood School Newsletter

March 2018

CITIZEN OF THE MONTH

Congratulations to the January citizens of the month: Dylan Ryan, Mason Bren, Joslyn Arnold, Jayla Avila and Mr. Paul Demchuk.

CRAB FEED AND SILENT AUCTION

The crab feed and silent auction was a success once again. Thank you to everyone who came out, enjoyed the dinner, and placed bids on the auction items. The classes of 2019 and 2020 appreciate your support! The students and staff worked hard to make this a smooth running event.

NATIONAL SCHOOL BREAKFAST WEEK

March 5th – 9th we will be observing National School Breakfast Week. The theme this year is “I Heart School Breakfast.” We encourage parents to join their children for breakfast this week. A healthy breakfast at the start of the day is one way to ensure students are getting the best education possible. National School Breakfast Week helps us educate parents and students about all the healthy, great tasting, and appealing choices, we offer. The district serves over 30 breakfast meals daily through the federally funded School Breakfast Program. School nutrition professionals at Glenwood School prepare breakfast and lunches every day that meet federal nutrition standards – limiting fat, calories and sodium – while encouraging students to choose from the fruits, vegetables and whole grains offered with school meals.

NO SCHOOL AND EARLY DISMISSAL

School will be dismissed at 12:00PM on Wednesday, March 14th, for a staff professional development day.

SPRING BREAK

Spring break will be April 2nd through April 6th. We hope spring will be in the air by then and everyone will enjoy their time off from school.

SPELLING BEE & CHILI COOK OFF

The 2018 Spelling Bee and Chili Cook-off will be held at Glenwood High School on March 15th, 2018 in the Glenwood School Multipurpose room. The Glenwood High ASB would like to invite the community to a chili dinner from 4:30-5:30pm. This meal is free of charge. If you would like to be entered into the chili cook-off, please have your chili at the school by 4:30 pm on March 15th. A prize will be awarded to our cook-off winner. This year, we are also making some changes to the Spelling Bee format. We will have a combined middle school division and new for this year an open division for middle school, high school, and community members who would like to test themselves. You can only be in one division. If you have any questions, please contact Aaron Oldenburg at the school or aaron.oldenburg@glenwoodsd.org.

MS TRACK

Middle school track practice will begin on Monday, March 19th. It is looking like we will have about 19 students turning out, with 10 of these students being first time track athletes. This will be a great season of learning and improving for the younger athletes and mentoring for the older ones. Bridget McLaughlin will be coaching the team again this year. Best wishes to them in bringing home lots of ribbons this season.

HONOR BAND

Our advanced band students will be performing in Honor Band at the Hood River Middle School on Monday, March 5th. Those students participating are Brooklyn Emerson, Allison McFall, Dayna Guzman, Kaitlyn Vandenburg and Hannah Beeks. These students have been working hard and putting in practice time after school to prepare themselves for this event. They will travel to Hood River to practice their pieces of music to be performed, on Monday evening, with schools from all throughout the Columbia Gorge and beyond.

SMOKEY THE BEAR

Smokey the Bear will be here on March 28th to teach our preschool through first grade students about fire safety and forest preservation. The Gifford Pinchot National Forest Service makes this presentation available to all area schools.
